Dear Sir or Madam

Can you please take this Anton Hodikins, Lannets SIA, Amexim or whatever other names are listed, off your website. I'm going to court now, emails have been sent.

I appreciate you giving him the benefit of the doubt, but it is now ridiculous. I am getting spammy messages that are 'buying time'. Broken promise after nonsense, after broken promise.

I do not want anyone else giving him a deposit, or in our case the full price of a machine, just to be messed around for months on end. For you to keep his listing on your site is inviting trouble and will potential smear your good name at PressDepo.

If Anton is genuine, he would call me. He hasn't. He's a fraud.

Whatever is going on it would be best to 'nip it in the bud' now.

Hello Mr. Strickland.

Since 2011 till now We have very few complaints about dishonest dealers, but all of them have been resolved in some way.

Lantes is a properly registered company with a valid VAT number and may be having difficulties with a dishonest supplier... I will check the case.

Dear Sir or Madam

I am writing to request that you take down and block Lannets from your website and directory.

Having used your website to get in touch with Anton Hodikins we are currently Euro 9500 out of pocket since December. We tried to collect a machine and our communication was ignored. We are now trying to get our money back, and we have been ignored again. Communication has promised return of funds for well over 5 weeks, we're being scammed.

He is an active user on your website;

We are now going to seek the legal route to get return of our funds, but we would request that his account is taken from your website to prevent anyone else getting into our situation.

I attached string of evidence and invoice, and would appreciate very much if I could have an answer regarding this.

Thank you for your time - Anton Hodikins is cc'd. If he corresponds with you directly please ask him to explain himself.
